Wine exchange policy – bring a completely wrapped/ decorated bottle of wine, simply place your wine on the table, & take a number from the jar. Once everyone has arrived and taken a number, each person or couple (couples bring one bottle & take only one #) the selection will begin, I will draw numbers to come take a bottle of wine from the table, or a bottle can be stolen from another (similar to white elephant) everyone that brings a bottle will have one to take home & enjoy, it is truly a fun event!

Please remember, bring a bottle of nice wine (one that you might like to receive, no two buck chuck or one that's been lying around awhile) ranging in price from \$15 to \$25. If everyone participates we all end up with a nice wine and maybe one you've never tasted before!

Prizes will be awarded to best wrapped/decorated bottles
